Foreign Investments

*617. SHRI P. UPENDRA:
SHRI CHIMANBHAI MEHTA:

Will the PRIME MINISTER be pleased to state:

(a) what is the foreign investments engisaged by the ened of the Eighth Plan; and

(b) what is the factual status about the commissioning of foreign investment projects as on date, sector-wise in relation to the number of foreign investment projects approved since new Industrial Policy?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) Between April, 1992 (i.e. the commencement of the VIII Plan period) and March, 1995, approvals have been accorded to 2631 proposals envisaging foreign direct investment of Rs. 28518 crores (including 23 approval involving Rs. 5467 crores for Euro Issues). As approvals are dependent on receipt of applications from entrepreneurs, it is not possible to make future projections.

(b) Sector-wise status of actual commissioning of foreign investment projects is not centrally maintained. However, details of comparative figures of foreign direct investment approved, and actual inflow of foreign direct investment in the country, during the period April, 1992 and March, 1995 are as given below:—

(Rs. in crores)

Year	Approved	Actual Inflow
1992 (April-Dec.92)	3043.48	127.25
1993	8859.33	1785.85
1994	14187.19	2971.65
1995 (upto March)	2427.73	1757.52

Excluding Euro Issues and major projects (such as Power), Oil refinery etc.) which have a longer gestation period and which involve nearly 50% of the foreign direct investment approved, the ratio between approval & inflow is approximately 2:1.
